## Audrey Blaker – Mill Valley, CA

Audrey has lived in Marin County for the past 2 decades. In prior years she traveled extensively on her own personal quest for guidance. An accomplished song-writer, singer, guitar player and Dumbek drummer, Audrey is in the process of making her own CDs with the help of her husband Marc. Introduced to the Tarot in 1975 in Bolivia, she feels she was transformed by the gift of this incredible oracle. Years later in Sausalito California (New Years Eve 1989) it was Audrey who inspired Alexa Young to create the tarot-based board game that years later resulted in Llumination: the Quest. Certified as a Star Light Worker in August 2002, Audrey looks forward to sharing her tarot expertise as she facilitates Llumination Parties and guides Quests for your friends and family.
